OVERVIEW OF LIS

Laxmi international school has a well-designed beautifully landscaped student friendly campus spread over an area of 120 acres of land. LIS is divided into three sections for convenience and effectiveness.

Pre Primary School (Nursery to senior Kindergarten)

Junior School (classes I – VIII)

Senior School (Classes IX to XII)

Laxmi International School offer a wide curriculum in the main learning areas- BASED ON THE CBSE CURRICULUM as per NEP 2020. Students are prepared for other education like- Teamwork, self-expression and personal development that happen outside the classroom. Laxmi International School is CBSE affiliated school & do more than just educating students. Laxmi International School prepare students for life. They develop communication skills, respect for themselves & self-discipline.

Building a sustainable society of curious and creative young innovators, who succeed through personal initiative and sustained efforts empowered with equal opportunities to thrive and flourish, enhancing each life by spreading "One Happiness! ".

STUDENT AWARDS AND ACHIEVEMENTS

‘Comfort is the enemy of achievements’. The first step for winning is the willingness to try and happiness lies in the joy of achievement and the thrill of creative effort. We at LIS focus on overall development of individual child and for that whole year we conduct different kinds of activities from which students can bring out their skill, can shows their talent and different creativity too. Competition can built superb confidence in kids. For that in the Month of July we have planned different kind of activities like World brain day , Interhouse Carrom competition , Interhouse Chess Competition and Interhouse Table Tennis Competition .

And the winners of Interhouse Carrom Competition for single and team for class 1 to 12 are given below :

Interhouse Carrom Competition

1st Bharat Ratna House

- 1.Smit M Macchi - 4A
2. Yusuf A Memon - 2C And Devya D Patil (3A)

2nd Gyaanpeeth House

- 1.Shaurya N Shah - 1B
- 3.Saahas V Dalve - 2C

3rd Paramveer House

- 1.Karandeep S Khalon - 4A

Class 1 to 6 (Boys Team)

1st Gyanpeeth House

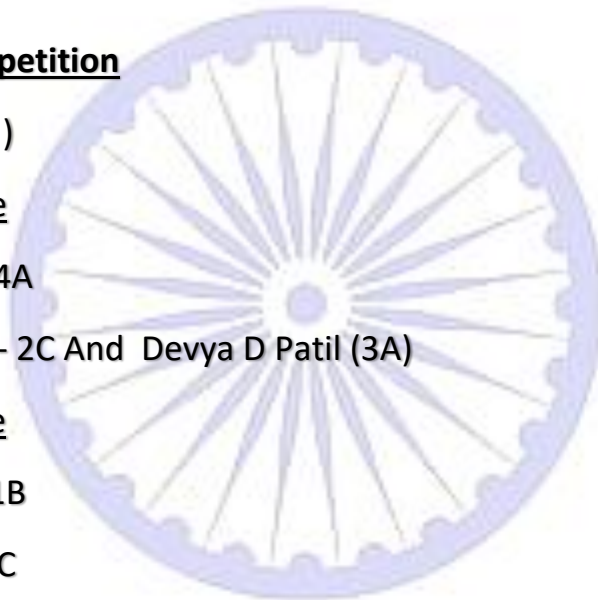

- 1.Mrunal M Deokar - 5A and Samarjeet S Senapati - 5A

2nd Padma House

- 1.Dhruv N Mitha 5C and Ayushmaan P Hadal 5A

3rd Paramveer House

- 1.Prithvi Tomar 6C and Ritvik Jha 6A

Class 1 to 6 (Girls Single)

1st Bharat Ratna House

1.Advika V More (1A)

2nd Paramveer House

1.Hejal Rohit (2C)

3rd Gyaanpeeth House

1.Harvi B Patel (3B)

Padma House

1st – Hensi R Patel (3B)

2nd – Drisha M Rajpurohit (4C)

3rd – Harlin D Rohit (2A)

Class 1 to 6 (Girls Team)

Bharatratna House

1st – Khushi C Chauhan 6C and Sanjoli N Kashid 6A

Paramveer House

2nd – Priya A Saroj 5B and Sonali A Yadav 5C

Gyaanpeeth House

3rd – Saanvi Kurmi 6D and Prachi S Birari 6A

Class 7 and 8 (Boys Team)

Gyaanpeeth House

1st – Ronak D Gori 7A and Om K Sahu 7C

Padma House

2nd – Arya S Gupta 7A and Zeel A Macchi 7B

Paramveer House

3rd – Utkarsh Pandey 8A and Ved M Gaurav 8C

Class 7 and 8 (Girls Team)

Gyaanpeeth House

1st – Aastha N Shah 7B and Anupriya N Maurya 7B

Paramveer House

2nd – Avani N Saidhane and Vedika D Dokhe

Bharatratna House

3rd – Dhriti P Goenka 8B and Feri T Nargolwala 8B

Class 9 to 12 (Boys Team)

Bharatratna House

1st – Dhairya 10C , Jigar 9D

1st – Dhruvang 12 A, Krish 12 C

Paramveer House

2nd – Aman 9C and Koomil 10C

2nd – Eklavya 12B and Pratik 12C

Padma House

3rd – Sadik 11A and Sambhav 11B

Gyaanpeeth House

3rd – Dax 9A and Rajveer 10A

Class 9 to 12 (Girls Team)

Bharatratna House

1st – Nikisha 9C and Radhika 10D

Gyaanpeeth House

2nd – Grishma 9B and Aanya 10D

3rd – Janvi 12D and Aakansha 12C

Padma House

1st – Yutika 12A and Bhavna 11A

Paramveer House

2nd – Priyanshi 12A and Nazmin 11B

3rd – Heer 9D and Almy 10B

STUDENT'S CORNER

Lost

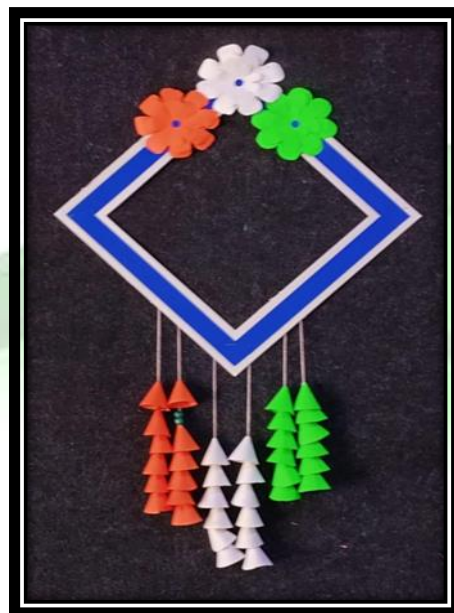

Coffee in her hand
Glasses on the top of her nose
Shes lost in a world
A world only she knows
Shes deaf to the reality
Surrounded by fiction
Her curiosity grows
Her eyes widen
As the end comes near
The outer world doesn't matter to her
As the fiction world seems more interesting
She's roaming in a place
Where anything could be possible
She was lost in reality
But perhaps she found herself within the fiction.
Within the world of never ending possibilities

- By Hresha Desai

GLIMPSE OF CLASSROOM

Creating a collaborative wall hanging for Independence Day sounds like a wonderful group activity that fosters creativity and patriotism in the classroom. It was a great way for students to come together and express their artistic talents while doing this activity. Students have created a beautiful wall hanging, here are few images.

TEACHERS AND STUDENT INTERVIEW

"Intelligence plus character- that is the goal of true education."

Teaching comes with its share of challenges and perks. My journey begins with acquiring the necessary education and training to become a teacher.

Teaching is one of the part of my life which I have always done with full sincerity and heart. My aim is not only to give bookish knowledge to my students but also to prepare them for future challenges. In my journey of 7 years, Laxmi International School has helped me develop a lot of interpersonal skills which will act as an add-on in my professional journey. To be a part of such an organization is an achievement in itself for me.

At Laxmi International School, I have found a conducive and harmonious environment where I can make a positive impact on the lives of my students."

Mr. Vikash Chand Ramola

Educator

CCA / CCE / CLUBS

NATIONAL HANDLOOM DAY

National Handloom Day is observed in India on August 7th every year. It commemorates the Swadeshi Movement, which was launched on the same day in 1905. This movement aimed to promote Indian handcrafted textiles and handloom products, thereby supporting local artisans and preserving traditional weaving techniques. LAXMI INTERNATIONAL SCHOOL celebrated to raise awareness about the importance of handlooms in the country's cultural heritage and to encourage the use of handloom products.

Weaving a tapestry of cultural heritage and creativity, our school celebrated National Handloom Day with great enthusiasm. As part of the Co-Curricular Activity (CCA), students delved into the rich history of handloom textiles and their significance in our country.

We at LIS organized activity for grade 1 to 5 students on 12/08/2023 .

SANSKRIT DAY

In a tribute to the timeless language of Sanskrit, our school celebrated Sanskrit Day with a unique Co-Curricular Activity (CCA) that truly encapsulated the spirit of learning and innovation. Students from grades 1 to 5 collaborated to create a comprehensive Sanskrit dictionary, a project that involved meticulous research, dedicated effort, and a genuine love for the language. The dictionary, a labor of love, showcases the beauty and depth of Sanskrit, offering insights into its rich vocabulary and nuances. It reflects the dedication of our students and their teachers who worked together to preserve and promote this ancient language. The Sanskrit Day celebration not only showcased our students' linguistic prowess but also highlighted the significance of preserving our cultural heritage through initiatives that blend tradition with modernity.

We at LIS organized activity for grade 1 to 5 students on 17/08/2023 .

SHARE A GOOD NEWS STORY

Title: "TEDx Seminar Ignites Innovation and Inspires Change at Laxmi Vidyapeeth sarigam"

Laxmi Vidyapeeth sarigam recently hosted an immersive TEDx seminar that left a lasting impact on attendees. Renowned speakers from diverse fields invigorated the audience with inspiring talks, encouraging innovative thinking and challenging conventional ideas.

Dr. Ashish Manohar, a researcher, captivated the audience with her discussion on sustainable development and its role in combating climate change.

Mr. Amresh Bharti, a digital entrepreneur, shared his journey and inspired students to create change within their communities.

Ms Dabolina Mishra emphasized the power of technology in addressing mental health.

Ms. Agasthya Shanaya Shukla, a renowned happiness expert, delved into the concept of happiness during her captivating talk at TEDx. With her extensive research and insightful anecdotes, she highlighted the significance of cultivating happiness in our lives. Ms. Shukla emphasized that happiness is not a destination but a journey, a lifestyle that can be embraced by making intentional choices each day. She shared practical strategies to nurture happiness, such as practicing gratitude, fostering meaningful connections, and prioritizing self-care.

Dr. Varun Kapoor, the IPS officer, has explained about cyber security and he told that, cyber crime is not an issue that affects "someone else." It can happen to any one of us. Let us commit ourselves to staying informed, being vigilant, and taking an active stand against cyber crime.

The seminar also featured interactive workshops, allowing participants to gain practical knowledge and collaborate with experts. The event sparked discussions and inspired a culture of innovation within the Laxmi Vidyapeeth sarigam community. The TEDx seminar at Laxmi Vidyapeeth sarigam showcased the power of ideas in shaping the world, leaving attendees feeling motivated and eager to make a difference.

RESOURCE CENTRE

SICKBAY

The school sick bay has an infirmary, which is staffed by a qualified and well experienced nurse and a doctor on call. It is well equipped to handle day-to-day medical problems and give first aid to the students. Students are tended to with great love, care and affection in the sick bay.

Health and wellness play an important role at LIS.

We believe that success goes hand in hand with health and wellness so at LIS we keep health and well being of our community on top priority. For this wide range of resources are available and accessible in campus around the clock to make sure that students and employees stay physically healthy and emotionally well. Health and fitness benefits at all levels of life and physical activity helps to develop self-esteem, teamwork and concentration.

Students build an appreciation and understanding of natural environment and learn valuable survival skills. Sick bay is an important facility in providing full care of a student. Children who are unwell at school or suffer minor injuries are treated by a qualified full-time nurse in the school Sick Bay. The sickbay is fully stocked with the necessary drugs and first aid equipment to ensure that all emergencies are dealt with in the best possible way at the school. Parents are informed of any serious injury and are contacted if a doctor or hospital visit is advised.

ADDITIONAL LEARNING OPPORTUNITY

We wanted to bring to your attention the inclusion of some exciting additional learning objectives related to craft activities in our school curriculum. These objectives have been thoughtfully designed to enhance the overall educational experience and foster a well-rounded development of our students.

Enhanced Creativity: Craft activities encourage students to think outside the box, experiment with various materials, and develop innovative ideas. Engaging in craft activities involves intricate hand-eye coordination, which contributes to the development of fine motor skills.

Patience and Perseverance: Crafting often demands patience and persistence, as projects might require multiple steps and careful attention to detail. These attributes are valuable life skills that extend beyond the craft room.

Collaboration and Communication: Craft activities can be collaborative, encouraging students to work together, share ideas, and communicate effectively.

Cultural Appreciation: Craft activities can also be used to introduce students to various cultural art forms and traditions.

We believe that these additional learning objectives will not only enrich our students' educational journey but also equip them with skills that are valuable for their holistic growth.

WELLBEING

LIS believes that reading is not only a valuable skill but also an enriching activity that opens up new worlds and expands your knowledge.

On the occasion of National Librarians Day, LIS has organized **“READATHON WEEK”** for grade 1 to 12 students from 7th August 2023 to 11th August 2023. To foster a love for reading and encourage its practice among our students, we are introducing a new initiative called "Drop Everything and Read" (DEAR).

DEAR is a simple yet powerful activity where everyone in the school community dedicates a specific time to pause their regular activities and immerse themselves in reading. It promotes a reading culture, enhances vocabulary, improves concentration, and ignites the imagination. DEAR time allows you to choose a book of your liking and embark on a journey of discovery and adventure.

KINDNESS CORNER

Kindness is a feature which everybody doesn't possess, it is a quality to be good and behave well with all the living beings. Kindness comes from the inner will of a person and he doesn't need to be guided or instructed as what he wants to do and what he has to do with others. Kindness tells us that we should love every living being and don't become an image of hatred for them.

We should do acts of kindness selflessly and without expecting anything in return. We should know that if we do any act of kindness then we will receive reward in multiple amounts. While doing kindness some people give secret donation to anybody or any organization as they don't want to earn fame, rather they want to earn inner peace and blessings.

UPCOMING EVENTS

“Tying bonds of love and respecting Mother Nature.
Let’s exchange a pledge to care for our Earth.”

We at LIS will be celebrating the festival of Raksha Bandhan at our school on 26th August 2023, Saturday during CCA period. This special day is dedicated to appreciate the beauty and significance of Mother Nature.

Activity for Grade 1 and 2 students: Green Rakhi

Activity for Grade 3 and 4 students: Reuse the Waste

Activity for Grade 5 students: Thali decoration

“Let’s Knot Our Love and Unite for a Greener Tomorrow”

*Thank
You!*
