Activities that make children great!

"Activities that make children great!"

On 2nd July we had different club activities for grade 3 to 12.

To focus each and every student and their interest, LIS has various clubs like Photography, Public Speaking, Cookery, IT, Drama, Business, Dance, Music and not to forget Art club.

As this was our first club Activity, an introductory session with briefing of the upcoming activities were discussed.

Many interesting activities are lined up for our students wherein they can explore their ideas, creativity and build their interest in the club they have opted for.

“Nothing is more inspiring than a person with seemingly mediocre talent rising against the odds to become a champion by way of hard work, effort, and perseverance toward their goals.”

We are born unique. We all have different talents and abilities. We don't have to always follow in the footsteps of others. We have a responsibility to develop the talents we have been blessed with. LIS always strives to nurture the inherent potential that each and every student has. With the same spirit, a great platform was given to students to showcase their entertainment skills through a Talent Hunt Competition. Every student is an artist and the school believes it to the fullest. Great going kids!! Our Rising star ☆

If you cannot come to the Museum, the Museum will come to you...

Date: 09/08/2022

MUSEUM ON WHEELS

“If you cannot come to the Museum, THE MUSEUM WILL COME TO YOU “

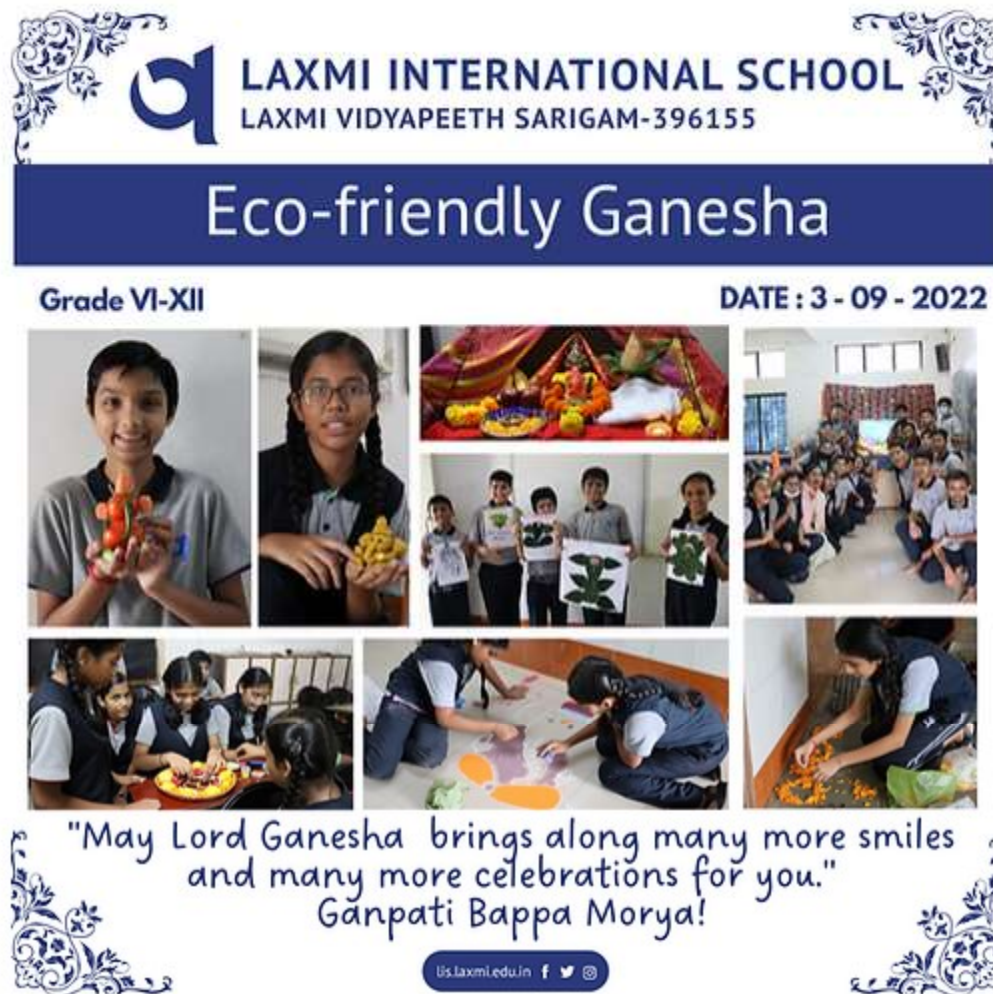

Founded in 2015, the Citi -CSMVS Museum on Wheels project is a pioneering outreach initiative designed to reach audiences beyond the walls of the Museum.

The Museum on Wheels hopes to further its reach and has added a second bus to its fleet, aiming to travel beyond Maharashtra and reach over 1 million people.

LIS had taken an initiative for the students of grade 1 to 12 to enjoy the "Museum on Wheels" helping them to collect and preserve our objects and materials of religious, cultural, and historical values to experience the virtual museum.

Our kids were encouraged to touch several of the models and get hand on learning experience. Their idea was simple: If students can't go to the museum, the museum will go to them. Truly it was a great pleasure to host Museum on Wheels at our organization .

Eye Donation Awareness Camp

Don't let your vision die.

It is said that, " Be a symbol of hope for those who are waiting." But without the organ donor, there is no story, no hope, no transplant. Instead when there is an organ donor, life springs from death, sorrow turns to hope and a terrible loss becomes a gift.

And the gift of vision is the best that you can give to humanity. Keeping this wonderful kindness in mind a Eye Donation Awareness Camp had been organised in LVS campus. This awareness camp was supported by Laxmi Diamond, Gajera trust, Lokdrishti Charitable Trust, CAMBA- Cornea Andhatv Mukht Bharat Abhiyan.

The only goal behind this is " Don't let your vision die. Pass it on..... LIS is truly grateful to Dinesh Patel sir the Vice chairman of Lokdrishti Eye Bank, Red Cross Blood Bank and his whole team for this thoughtful initiative.

Disabilities- Let us see possibilities

"Disabilities: Let us see possibilities"

When we teachers think that-All children can learn then definitely we will always focus on possibilities and not the disabilities. This was made better understand by our special educator Ms. Anupama Gaur in the teachers training workshop.

Many teachers of different school had been part of this wonderful training workshop.

The main motto behind this workshop was to strengthen and equip the teachers in the process of teaching and learning.

And most important thing to keep in our mind as teachers is each and every child is special, it is just that we should create a influence that cannot be erased ever.

The Educators Oath

When a man takes an oath... he's holding his own self in his own hands. Like water.

Date: 05/09/2022

"LET'S TAKE AN OATH"

To take an OATH is like taking a road to one's growth.

An oath is a solemn promise regarding one's future action or behaviour. This is the reason nearly all professions have oaths, they use words as a binding contract to hold them accountable for their ethical actions, behaviour and ultimate decisions.

An oath that both new and experienced teachers can take and feel a sense of commitment and belonging to the profession.

So on this special day under the flagship of our respected principal sir we the proud educators took an oath.

Surely we the Educators will always strive to build our own capacities in teaching so that we can impart quality education to our dear students and always celebrate the success of our dear students.
